

*Together, we CAN make a difference!*

# Easter Basket Drive!

**Put a Smile on a Child's Face this Season!**

---

**Donate** a store bought or custom made **Easter basket** for children in need.

During the month of March iCare is having its annual Easter basket drive to give to children in need. This is the special time of the year when we have the opportunity to impress good memories upon a child that may only have memories of instability, violence and poverty. You can help provide that memory of love and encouragement that celebrates Easter.

Donations will be given to children at:

***Shepherd's Cove Women & Children's Shelter and DC General Emergency Shelter***

\*If you would like to donate an Easter Basket please contact: Marie Huffman at [marie@icaredc.org](mailto:marie@icaredc.org) to coordinate dropoff/pick-up. The last day to donate a basket is March 29, 2015.

(Note: For custom made baskets please feel free to add toiletry and grooming items such as trial size shampoo, combs, tissue, wipes and socks etc. along with the traditional Easter goodies.)

\*\*If you would like to make a contribution towards the purchase of an Easter Basket please visit the iCare website: [www.icaredc.org](http://www.icaredc.org) and click donate.

A donation of \$10 allows us to provide a basket for 1 child

A donation \$20 allows us to provide a basket for 2 children.....

Help us make good memories this Easter!!!!!!
