**Re: iCare, Inc. "Feed the 5000" Campaign In-Kind Donation Request for Groceries**

Dear Sir/Madam:

iCare, Inc. was recently formed to respond to three of the most critical needs within the DC Metropolitan community – hunger, homelessness and disenfranchised veterans. In our first endeavor to touch the lives of these numerous individuals and families, iCare is launching our inaugural "Feed the 5000" campaign; which will take place at various shelters throughout the DC Metropolitan area. Our "Feed the 5000" campaign, inspired by Matthew 14:16-20, is a series of charitable food service events which will feed numerous individuals and families in the DC Metropolitan area while we introduce our partner organizations and programs. As all recipients of and volunteers for our programs receive a complimentary nutritious meal, we hope you will be willing to donate to that effort (please see Grocery List on next page).

iCare is a non-profit organization whose mission is to demonstrate God's love with action and truth by establishing programs which meet the needs of people experiencing homelessness, disenfranchised veterans, and indigent persons and families in the DC Metropolitan community. We seek not to just give them a fish, but to teach them how to fish in accordance with 1John 3:17-18. We express this 'love in action' by providing food, shelter, clothing, and respect to those in need as we firmly believe that all individuals have the right to these basic necessities. To learn more about iCare's mission and programs, please visit our website at [www.icaredc.org](http://www.icaredc.org).

We are aware of how your product and service has influenced countless people and would be honored and grateful for your partnership at any level. If you agree to participate, your organization will not only benefit from extended exposure through all of our promotional efforts directed toward the DC Metropolitan community, we will gladly include and display your promotional materials (brochures, coupons, signage; etc.). This means, for a small donation of your product and service, you'll be able to enjoy excellent exposure to this important segment of your target audience.

Additionally, you will receive a confirmation acknowledging the value of your tax-deductible donation. Most importantly, you will have the fulfilling satisfaction of remembering the forgotten, loving the unloved and empowering the oppressed in our community.

Sincerely,

*Kevin & Marie Huffman*
